

## A LIFE GOAL ACHIEVED

Holly is a single mother of three young daughters. Always Home's Social Worker, Marlynn Benker, has worked alongside this sweet, compassionate woman for several years. The journey has been one of physical, emotional and economic growth. All along, as she worked through a number of personal issues, Holly dreamed of being a Certified Nursing Assistant (CNA). That's why she's so proud of her latest success.

With financial support from Always Home's Employment & Works Skills Training program, Holly recently completed her CNA course at New London Adult Education. As part of the training, she was required to complete hands-on clinical hours which she fulfilled at Fairview. CNA work is demanding, but Holly's inherent empathy makes her an excellent caregiver. All of us at Always Home are very proud of Holly for never giving up on her dream. Congratulations, Holly!

## MUDHEADS RAISE \$15,000 FOR ALWAYS HOME

Sandwiched between two days of biblical rain, the annual Mudhead Benefit Cup Regatta & MegaParty was held under sunny skies and a gentle ocean breeze. From race start to Woolly Mammoth's last rock 'n roll song, it was a fantastic, all-hands-on-deck day. Thanks to everyone who raced, fundraised, donated, volunteered and attended the event that raised \$15,000 in support of Always Home's mission, Preventing Family Homelessness.

Special appreciation to Mudhead co-chairs Courtney Moore and Bethany Goddess for organizing the event and to our generous venue hosts, Betty and Ron Helbig, owners of Mystic Shipyard.
